The image is a hand-drawn sketch of a mobile application interface, likely for a collection point or a service. The interface is displayed on a smartphone-like frame with a status bar at the top showing signal strength, Wi-Fi, and the time 22:07. The app's header includes a back arrow labeled 'חזור' (Return) and a user profile icon. The main title is 'פרטי מסלול - רותם חוגי' (Route Details - Rotem Chugi). Below the title, the user's name 'מוצא: אשדוד' (Origin: Ashdod) is shown. The departure time is 'שעת יציאה: 7:00' (Departure Time: 7:00), and the destination is 'יעד: של"ר' (Destination: Shalim). The section 'נקודות איסוף:' (Collection Points:) lists three options: 'צומת עד-הלום' (Et-Helom Junction) with a selected radio button, 'מחלף יבנה' (Yavne Interchange) with an unselected radio button, and 'בורסה' (Bourse) with an unselected radio button. At the bottom, there is a large button labeled 'אני רוצה להצטרף!' (I want to join!).
