

A hand-drawn sketch of a mobile application interface for registration. The screen is enclosed in a rounded rectangle with a thick black border. At the top, there is a status bar with a grey background, containing icons for Wi-Fi, cellular signal, and battery, along with the time 0:48. Below the status bar, the title "הרשמה" (Registration) is centered in a large, bold, black font. Underneath the title, there are two input fields, each represented by a rectangle with a black border. The first input field is labeled "שם מלא" (Full Name) and the second is labeled "מספר טלפון" (Phone Number). Below these fields is a button with a grey background and the text "סיים הרשמה" (Finish Registration) in black. The button has a small arrow pointing to the right. The entire interface is set against a white background.
